

THE ARCHES

LEVEL 1

The Arches

What was once a carpark ramp following the inner perimeter walls of the emblematic Murray Building is now a distinctively unique event space.

The Arches is semi-outdoors, offering a unique setting quality from both a practical and experiential perspective. Sheltered overhead and with large arched apertures inviting natural ventilation, this is a venue most suited to weddings, runway shows, exhibitions, car showcases and corporate gatherings.

THE MURRAY

HONG KONG
