# BULL & CLAW

Imagine yourself sinking your teeth into a luscious lobster roll, each bite bursting with oceanic flavors. As you relish the taste, you find yourself immediately drawn to a succulent, juice-dripping smashed burger, offering a tantalising blend of meaty goodness and savory toppings. And just when you thought it couldn't get any better, you take a refreshing slurp from an oversized, velvety-smooth milkshake that leaves your taste buds dancing with delight.

Temptation awaits with the Bull & Claw menu brimming with delectable American-style gourmet that will leave you craving more. From the indulgence of afternoon tea to the hearty delights of a weekend brunch, let us transport you to a realm of pure gastronomic pleasure from the lip-smacking delicacies.
